1				
2				
3				
4				
5				

It is my full responsibility to collect all the appropriate paperwork for each animal that I am transporting, in order to leave the PNE grounds with these projects and deliver them to their corresponding processor in time for slaughter and grading with the rest of the PNE animals.

If there is any missing information on the paperwork collected by me it is my sole responsibility to report this to the PNE staff at the time of collection and to have this clarified and completed before I leave the PNE grounds with these projects.

In the event that an animal does not arrive at the processor in the condition it left the PNE grounds, I am liable for any financial loss to the Buyer. By signing this agreement I do not hold the PNE liable or responsible for this animal and its condition once I have collected the completed paperwork for transport (PNE manifest) and removed the animal from the PNE.
