During the Fair at the PNE, car and foot traffic increases, and the PNE will once again be working with the City of Vancouver to have Temporary Resident Parking Only (TRPO) signs installed within the local area. These signs go up the week prior to the Fair.

The PNE encourage all guests to take transit, car pool, bike or walk to the Fair if possible.

The City of Vancouver will be patrolling the PNE area throughout the Fair looking for by-law infractions of back yard parking and non residential street parking for those with Temporary Resident Parking Only (RPO) and Resident Permit Parking (RPP) .

If you have any questions about the parking by-laws please contact the Parking Management Branch at 311
