Welcome!

A Message from the President and CEO

Welcome to the 2019 Pacific National Exhibition 4-H Festival! I wanted to personally welcome all our 4-H participants, your families and our many 4-H leaders and judges. The PNE looks forward to showcasing your exciting projects throughout this year's festival. We take pride in having you at the Fair and being able to showcase some of BC's best 4-H competitors during these exciting 5 days.

The PNE Fair started as an Agricultural showcase and Ag remains at the heart of many things we do. We take great pride in being able to help educate urban audiences, and tell the story of our Province's Agricultural heritage and innovation. Coming through the livestock barns remains a highlight for so many families attending the PNE Fair. And with growing concerns about food security and demands for education, we are proud to bring BC's 4-H talent to the forefront and use it as a platform to educate.

You 4-H participants are our Ag leaders of tomorrow and we appreciate all we learn from you and your projects. It keeps the PNE focused on how important our local Agri industries are and these insights have led to many great Fair time programs such as Kids Discovery Farm and Ag in the City displays as well as year round programs like the PNE Chef's Garden and the bee hives we keep on site all year. It has also helped shape the partnerships we put in place with associations like BC Egg, BC Dairy, Cattlemens Association and new this year, a partnership with the BC Ministry of Agriculture about the Journey of Food.

So good luck at this year's festival - be bold, be competitive and be worthy 4-H members. Take your commitment to the values of Head, Heart, Hands and Health seriously. I want to thank you, your families and the 4-H leaders for supporting the Agriculture program here at the PNE and wish you all the best in this year's festival.

Enjoy the 2019 Fair!

Thank you!
Shelley Frost
President and CEO
Pacific National Exhibition

A Message from your Committee Chair

Welcome to the 2019 PNE 4-H Festival. We have five days of competition planned out for you and encourage each of you to exhibit your best. For many this is the end of a year of working with your project and a year of competing with others to show your best, also the end of a year of sharing this with family and friends and also the public as to what you have learned.

We encourage you to do the same while here at the PNE as many of our visitors know little of agriculture, livestock, or how things grow and where our food comes from. They are eager to talk with you and eager to learn about your project.

Enjoy your time at the PNE – enjoy the competition!

General Rules

1. General

Each participant in this competition is responsible for knowledge of and is subject to the rules contained in this prize book and the regulations governing all competitions at the Pacific National Exhibition. Any question or dispute that may arise that is not provided for in the governing rules shall be referred to the Pacific National Exhibition Management whose decision will be final.

2. Definitions

For the purposes of the rules and regulations governing conduct and participation in competitions or exhibitions at the Pacific National Exhibition, the following definitions will apply:

PNE: the Pacific National Exhibition

Participant: any person involved in any way in exhibition or competitions at the PNE

Presenter: anyone directly involved with the showing of any animal or other element entered in any competition or exhibit (e.g. grooms, handlers, exhibitors, etc...)

3. Rights and Privileges

Management reserves the right to refuse any entry, limit entries, cancel any class, or change the competition schedule. Management reserves the right to decide any point not covered by the rules, to correct any errors, or make any changes which it considers necessary.

Responsibility:

All entries are accepted with the understanding that the PNE will not be held responsible for any loss, damage or injury to any animal exhibited or any article of any kind. All animals shall be under the control and direction of the PNE Management, but solely at the risk of the participant, who will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by the participant, their agents, employees, or by any animal owned or exhibited by the participant and shall indemnify the PNE against any and all loss, damages, and liability thus occasioned, including but not limited to, any and all legal costs including attorney fees which may be incurred as a result thereof. The participant shall accept full responsibility for his/her agents and employees. The submitting of an entry form to the PNE constitutes an acceptance by each person of the rules set out in this prizebook.

Photography:

Each participant shall agree that photographs taken of the participant and/or exhibits by any photographer approved by the exhibition may be used for purposes of promotion by the PNE and/or its official sponsors.

4. Violation of Rules and Conduct

4-H competitors involved in serious misconduct will be subject to review by the PNE 4-H Committee along with PNE Management..

General:

The PNE upholds 4-H BC SADD rules as outlined below:

- No **S**ex
  Mixed visiting in the dorms is not permitted.
- No **A**lcohol
  Members are not to be found in the possession of and/or consuming alcohol on PNE grounds.

- No **D**rugs
  Possession and/or use of illegal drugs or inhalants are forbidden. This is a criminal offence and will be handled accordingly.
- No **D**isruptive Behavior
  Behavior which disrupts the effectiveness of the program including vandalism, verbal or physical assaults or aggression, breaking curfew and/or leaving the premises or activity without permission (from parent or leader) will not be tolerated.

Members found violating these rules may be asked to leave the grounds immediately and will be subject to a discipline review by the PNE 4-H Committee along with PNE Management. The consequences of breaking PNE rules includes but is not limited to; disqualification from events and registered competitions at the PNE, forfeiture of any previously won prizes, money or titles and / or the member and his/her projects may not be permitted to return to 4-H Festival events.

Any attempt to interfere with PNE staff, contractors or their agents while in the performance of their duties shall constitute a violation of the rules. Participants may not use any device or conduct themselves in a manner which may cause harm to any other person(s), animals, or property.

Parents:

Although, 4-H BC and the PNE do not condone leaders or families consuming alcohol during a 4-H activity, it is recognized that the PNE offers opportunities for casual alcohol consumption in licenced areas of the grounds. Leaders and families are reminded that they are the face of 4-H that the general public sees and that they represent 4-H as much as a member does. There is no drinking allowed in the barns.

Barns:

When moving animals through the barns participants must use designated aisles. All other aisles are out of bounds at all times.

Animals may only be ridden in designated areas. Grooming or clipping will not be permitted in the aisles.

Attire:

All 4-H competitors and supervising leaders registered with the 4-H Show are expected to appear in suitable dress at all times. It is the tradition of the Show Ring that a competitor be correctly attired for the class in question and that attendants be neatly dressed and animals properly presented.

5. Animal Treatment

Abuse:

Any form of abuse (including excessive use of the whip or spurs or excessive use of the bit) on any animal in a stall, runway, schooling area, competition ring, or elsewhere on the PNE grounds at any time, by any person, constitutes a violation of the rules and renders the offender subject to penalty, disqualification, and possible prosecution. This will be strictly enforced.

Drugs and Medications:

No animal is to be shown in any class if it has been administered, in any manner, any forbidden substance. Animals in competition may be subject to testing and/or examination by a licensed veterinarian and/or technician. The examination may include physical, saliva, urine, blood tests, or any other test or procedure at the discretion of said veterinarian and/or technician. Failure to submit to such tests and examinations may result in disqualification and constitutes a violation of the rules.

Tampering:

Any animal artificially, improperly, or unfairly prepared, doctored, or tampered with in any way before entering the show ring will be disqualified.

Animal Identification Tags:

All Beef, Dairy, Goat, Sheep and Swine animals participating at the PNE must have proper CFIA approved tags in place. Any tag lost must be registered through your district secretary with confirmation of this sent to the PNE prior to arrival onsite.

6. Signs and Displays

The 4-H Committee wishes to encourage the proper use of the 4-H emblem in all signs as specified by the Canadian Council of 4-H Clubs. Points will be deducted in the herdsmanship competition for the improper use of the 4-H emblem.

7. Emergency Procedures

The club leader (or chaperone) is responsible for ensuring that all 4-H participants are aware of the emergency procedures of the PNE including evacuation and medical emergency procedures. These procedures are included in your exhibitor package, which you will receive during check-in at the 4-H Show Office.

Entry Rules

The PNE reserves the right to limit entries or decline any entry without being liable for compensation. A minimum of 3 participating clubs or 15 participating members per section is required to host a livestock show.

1. Entry Requirements

Eligibility:

Open to members currently enrolled in the 4-H B.C. program. The age of 4-H participants will be the age in years, as of December 31st of the previous calendar year. Members with a registered project must be between 9 and 19 years of age. Members registered in Cloverbud classes must be between 6 and 8 years of age and registered junior leaders, judging rally participants and PNE Ambassadors can be up to 21 years of age.

Only current year 4-H projects are eligible for entry. All 4-H classes are open to purebred or grade livestock. All registered projects will be checked against 4-H B.C. Identification Sheets.

All project changes must be approved by the District 4-H Council prior to entry at the PNE. A letter must be submitted to the PNE prior to move in stating the project change and must be signed by the club leader and the District key leader.

Members wishing to attend the PNE when their club is not participating in the PNE may only register with another leader or approved chaperone as long as a signed letter of approval is received from their registered club leader.

Health Status:

A veterinarian will inspect livestock entries upon arrival at the PNE. No animal suffering from an infectious or contagious disease will be admitted to the grounds or if admitted through oversight, on discovery of same, it shall be removed upon order of PNE Management. The decision of the veterinarian shall be final.

Horns are not permitted on 4-H market animals at the PNE. A horn is defined as any visual bone-like projection that breaks the hairline on the animal's head above the eyes. All animals must be completely and properly de-horned. Any scurs or calluses exceeding 1/2 inch will be considered horns and may result in

the animal being refused entry and be required to leave the PNE grounds. All market steers and lambs must be completely and properly castrated. Any 4-H animals not meeting these requirements will be refused entry and required to leave the PNE grounds.

Tests for tuberculosis are not required to cover cattle originating from accredited herds or herds in accredited areas of good standing. Canada is currently a brucellosis free region.

Application:

Entries must be made by 4-H leaders on the entry forms provided by the PNE. Please fill out the entry form by member (i.e. if a member has a beef and swine project in the same club, list all projects for that member and then continue with the rest of the exhibitors following the same process) and include a copy of the PNE Parent Release and Medical Information form for each member participating.

Club leaders must supply the ear tag, tattoo markings, birthdates of all livestock projects on the entry form, and bring proof of registration and identification with them to the PNE. All 4-H Beef, Dairy, Sheep, and Swine must have an ear tag or registered ear tattoo in order to show. Horses must be identified by a horse identification sheet and a picture. These will be checked upon arrival at the PNE. Dog clubs must submit, with the entry form, copies of vaccination certificates and proof of rabies shots. Rabbit clubs must submit, with the entry form, copies of vaccination certificates.

Entries must be received by the Entry Office no later than June 28th, 2019 by 5:00pm. Late entries will be charged a late fee per member per day late.

2. Errors and Omissions

4-H leaders (or agents filling out entry forms on their behalf) are responsible for their own errors on their entry forms. No compensation for such errors shall be made after entry closing date. If any entrant has made or caused to be made any false statement in regards to any animal or article exhibited, he/she will be excluded from competing or exhibiting.

3. Notification

A replay letter will be mailed to the 4-H leader, which confirms the details of the entry. Contact the Entry Office at (604) 252-3581 if there are any amendments to this entry. Errors and changes are the responsibility of the 4-H leader.

4. Passes

Club passes will not be mailed out. The 'A' Leader may pick up their show packages, including all passes and meal tickets, at the 4-H Office from 12pm – 5pm on Thursday August 15th or from 9:00am – 6:00 pm on Friday August 16th, 2019. Leaders will be required to sign for their packages at the time of pickup. Parking passes, admission passes and meal tickets are non-refundable. There will only be meal ticket sales on Sunday August 18th from 1:00pm to 4:00pm and there will be NO opportunity to return meal tickets. Parents and Leaders are asked to plan accordingly.

Competition Rules

1. General

Competitions are governed by the 4-H B.C. Project Rules and Regulations, the General Rules, Entry Rules, the Competition Rules below, and any additional guidelines for individual classes listed in the class list. It is vital, therefore, that each exhibitor is familiar with all of these sections of the prize book as well as the rules and regulations of 4-H (can be obtained from 4-H B.C. office).

PNE Management reserves the right to change the location of competitions as deemed necessary and also reserves the right to substitute a judge or official (or other staff) for any listed in the prize book.

2. Warm-Up

Agrodome:

Available exercise times in the Agrodome are posted in all published 4-H schedules

Corral:

Warm-up in the Corral (lower ring) will be made available as competition and event schedule permits. Times will be posted in all published 4-H schedules.

3. Competition

Only persons directly involved in the showing and judging of animals will be allowed in the ring. The PNE and its judges and officials reserve the right to prohibit any person(s) from entering the ring or from riding or driving. Interfering with judges, officials, or other staff while in the performance of their duties will result in disqualification. Order of entry into the ring may be predetermined by the PNE as management deems necessary.

In Gate:

Participants are responsible for having all entries ready to enter the ring promptly when called. Any participant refusing to enter the ring when directed forfeits the right to compete.

Judging:

All 4-H classes listed in the PNE prize list will be placed on the Danish system unless otherwise indicated.

Members must exhibit their own 4-H project animals in showmanship classes, and members must show in showmanship in order for the project to be shown in their project class. All members in market classes are required to show in the showmanship class of each project in order to be eligible to sell at the 4-H auction. Any clipping or grooming of 4-H project animals must be done only by 4-H members competing with a project at the PNE Fair, or that project and member may be disqualified from competing.

4. Prizes and Awards

Trophies and Special Awards:

Perpetual and challenge trophies remain at the PNE all year. During the 4-H show they will be available through the Entry Office. Where possible, trophies will be presented after the appropriate class then returned to the Entry Office.

Prize Money:

Prize monies will be paid out, in Canadian Funds, to the club. Cheques for prize money won by members of clubs will be sent as soon as possible, after the close of the exhibition to leaders for distribution to the members. All inquiries with respect to prize payments must be made before March 31st, 2020, after which accounts will be closed, uncashed cheques will be voided, and no further action by the exhibitor may be taken.

Should a participant(s) be disqualified, prizes will be re-allocated to the remaining placing exhibitors.

5. Exhibitions and Demonstrations

All exhibitions and demonstrations will be placed between classes at the discretion of the PNE 4-H Committee and the PNE Management.

6. Protests

Any protest must be submitted in writing, signed, and accompanied by a deposit of $100 which shall be forfeited if the protest is not sustained. The protest must state fully the cause of the complaint and must be delivered to the Entry Office by 10:00am the day following the cause of the protest. A protest will be considered official when the written protest has been received by the Entry Office and a receipt has been issued to the complainant. An official protest will be investigated by the PNE Management and appropriate Committee Chair. All decisions by this panel are final.

7. Auction Sale

All market calves, lambs, hogs, goats, and poultry to be sold must have previously shown in the PNE 4-H show. Members entering a project into a carcass class (Unit 7: Carcass Steer; Unit 8: Carcass Lamb, or Unit 4: Carcass Hog Class) must be registered in showmanship with another animal within the same project classification in order for their carcass project to be entered in the carcass class and be eligible for the sale (ie. A member registered in Market Steer Carcass must show a beef project in showmanship at the PNE 4-H show). The sale will be conducted on a price per pound basis.

Auction invitations are mailed to buyers who purchased in the previous year (2018) of the 4-H Auction Sale. New buyers must be registered by July 31st, 2019.

Any member wanting to show their animal and not sell it must state so on the entry form. If the animal is Champion or Reserve, it MUST sell at the PNE 4-H Auction

A commission of 6% will be taken on all animals sold.

Animals will be the property of the buyer upon completion of the sale. Normal care will be the responsibility of the contributor while the animals are still at the PNE. Animals will be delivered to a packing plant, in the greater Vancouver area as requested on the sales form, as soon after the sale as possible at no charge to the purchaser. The purchaser is responsible for all costs incurred.

Leased Animals:
No leased or partnership market animals are permitted. Any market animal registered for the show must be solely owned by the 4-H Exhibitor and proof of ownership may be required.

Self Hauling:
If a member choses to haul their animal to the packing plant themselves, all costs and liabilities are the responsibility of the self-hauler after the auction. All members Self-Hauling animals sold at auction must sign a Liability Contract before loading and leaving the grounds with the animal.

Proxy Bidding:
All buyers must be pre-registered with the auction staff prior to bidding. All buyers using a proxy bidder must complete the Proxy Bidder Registration form.

Payments:
Payment must be made at the time of the purchase. If full payment is not possible, credit arrangements must be made at registration time. Terms are cash or cheque in Canadian Funds or by credit card (VISA, MC). Persons buying their own animal back must purchase the animal at full sale price.

Dorm & RV Parking Rules

1. Dormitories and Supervision

Limited accommodation will be available to 4-H members and chaperones in the 4 -H dormitory located onsite at the PNE. Leaders must use discretion when choosing members to stay in this dormitory situation. Leaders are required to take responsibility for 4-H members attending PNE, and 4-H members are responsible for their own actions.

The PNE provides sleeping space only. Bring a foam mattress or bedroll and sleeping bag.

Members participating in the 4-H Program must be chaperoned in the dorms and the R.V. parking regardless of age. A 4-H member may not be a chaperone. Chaperones must be 21 years of age or older and have a recent valid Police Check. Dorm space is made available to adult leaders and parents who have accepted the following responsibilities for chaperoning 4-H members in co-operation with the dormitory supervisors. District and/or club chaperones will have space available with their district or club members they are chaperones for. Chaperones must be familiar with 4-H members from their area including any medical problems they may have. Upon arrival, chaperones must check-in with dormitory supervisors. By curfew, chaperones must verify that members are in the dorms and meeting all assigned rules. Any chaperones not meeting the above responsibilities will be required to leave.
No smoking in the 4-H dormitory or any livestock area.

2. Curfews

Curfew in the dorms and for the RV Parking will be 11:00 PM. This means that all 4-H members staying at the PNE grounds are to be inside the dorms and inside the enclosed RV parking area by 11:00 PM sharp, with the exception of Monday when the curfew will be 12:00 AM to allow for the dance.

The barns will be closed to the general public at 10:00 PM nightly and closed to all individuals with wristbands at 10:45 PM. There will be absolutely no entry into the barns after closing with the exception of staff on duty.

3. Dorm Sign In & Out

A strict sign-in and sign-out procedure will be implemented. The PNE-dorm supervisor will have a master list of all 4-H members staying in the dorms, for sign-in and sign-out privileges. 4-H Chaperones will perform a final check and sign in of the members they are responsible for by 11:00 PM nightly (12:00 AM on Monday).

PNE Chaperones will be responsible for enforcing rules regarding entry and exit of dorms and the sign in sheets. They will inform the entry office of any infractions of the rules. The sign-out cut off time will be 10:45 PM, with no exceptions. 4-H members will not be able to sign themselves out after that time. Club chaperones will be expected to assist Dorm Supervisors with the monitoring of 4-H members.

4. Off Site Visits

4-H Leaders must notify the PNE Dorm Chaperone when one of their club members (who is registered in the Dorms) is going off site with relatives or friends, and should again advise the PNE Dorm Chaperone when they have returned. This will assist with the monitoring of 4-H member's whereabouts. This is especially important for emergency situations.

5. RV - Parking Area

RV Parking will only be available in the area designated along the fence line on the west side of Lot 9. Toilet facilities will be available on site; showers will be available in the barn area. All Dorm Rules apply to RV Parking Area. Currently there is no policing mechanism for enforcing the curfew in the RV parking area. It is up to leaders and parents to monitor the 4-H members. If problems arise with the RV Parking Area, the PNE will provide a security person for the area which will result in an increase in RV parking fees to cover the additional expense.

6. Wristbands:

4-H identification bracelets must be worn on wrists by 4-H members at all times during the 4-H Festival. Wristbands will only be replaced if a damaged wristband is presented to the entry office in exchange for a new one.

Members found violating these rules may be asked to leave the grounds immediately and will be subject to a discipline review by the PNE 4-H Committee along with PNE Management.

Exhibitor Services

1. 4-H Entry Office

The 4-H Entry Office is located at the southwest end of the Agrodome, upper concourse level. Hours are 8:30am to 4:00pm Monday—Friday pre and post Fairtime, and 8:00am to 8:00pm daily during the Fair.

2. PNE Grounds Access:

No Dogs are permitted on the PNE grounds (with the exception of registered, participating 4-H projects only in the barns, and seeing eye dogs). 4-H identification bracelets must be worn tightly on wrists by 4-H members at all times during the 4-H Festival. This provides access to the PNE grounds, to the Barns during non-operating hours and to Special Events. Access to the grounds prior to Fair opening (11:00am daily) will only be permitted through Gate 10.

3. Animal Care

Feed Delivery Area:

Clubs are required to bring all feed and supplies they require.

Veterinarian:

Entrance vet checks are done at no cost to the member but any further veterinarian services will be billed to individual members as required.

Stabling:

Stabling will be managed by the Barn Operations Supervisor. Stabling will be allotted and assigned by the PNE Management. The PNE will try to accommodate the stabling requests of 4-H clubs where possible. Stabling is only provided for animals entered in the exhibition.

It is the participant's responsibility to inspect the stabling area for nails or other foreign objects that might harm their animal or their agents.

Muck out of overnight manure material must be done prior to 7:00am each morning. All overnight materials, manure and stall refuse mucked out at any time must be placed in the barn manure compound at the rear of the Agrodome.

Tack Stalls:

Tack stalls will be allotted where available. In order to comply with fire, security, and health regulations, these tack stalls are restricted to storing materials and equipment only. As a necessary precaution against fire and in compliance with City ordinances, the use of coal oil stoves, heating or cooking equipment, or fire of any kind in any of the PNE buildings is prohibited. Participants are also required to guard against the overloading of electrical circuits and familiarize themselves with the location and use of fire fighting equipment and evacuation routes.

Wash Racks

The barn provides three livestock wash racks for members to use. In the Upper Barn on the west side there are two designated racks for horses and cattle respectively. PNE Management reserves the right to monitor the use of these racks and livestock may be asked to leave if found occupying the wrong wash rack. The wash rack in the Lower Barn on the east side will be open each morning until 9:00am. Members will be asked to leave after 9:00am. Members are asked to observe good housekeeping in all wash racks.

4. Parking

Parking on the PNE grounds is at your own risk. The PNE is not responsible for any articles left in the parking lots or the payment of parking violations or towing charges incurred by any persons prior to, during, or after the fair.

General Vehicle Parking:

Exhibitor parking will be available in Lot 9 (please see map for location of parking lots) and is restricted to vehicles, which occupy only one parking stall. Overnight sleeping in self-contained campers is available in the RV Parking area. Exhibitors must pre-purchase parking passes with their entry to be eligible for the discounted exhibitor parking rate.

Trailer parking:

Trailer parking will be available in a designated parking lot. Requests for livestock trailer parking can be made on the entry form.

Overnight parking:

Overnight RV parking is limited to a first come, first serve basis. The designated area will be along the west fence line of Lot 9. This entire area will be enclosed with modulock fencing for enhanced security. Advance booking and payment is required; payment CANNOT be done upon arrival. Exhibitors utilizing on-site RV parking are asked to comply with the following rules:

- Adherence to dorm procedures (see Dorm Rules)
- no smoking
- no personal family dogs or other animals, 4-H dog projects are allowed (please see Dog project section for further information)
- no tents
- familiarity with the fire evacuation plan

Unloading:

Unloading will occur via the Agrodome where PNE staff will be present to direct you. There will be no unloading or loading anywhere else. After you have unloaded, you will be directed to the proper parking location. Vehicles and trailers must be removed from the loading area immediately. Vehicles parked longer than permitted WILL BE TOWED AT THE OWNER'S EXPENSE.

Move Out:

Clubs may begin to take down their decorations after the closing ceremonies on Tuesday August 20th but **may not begin to move out until after the evening Headline show in the Agrodome (approximately 7:30pm).** Load out will occur through the Agrodome via Gate 6. Load out via the south or north side of the barns is strictly prohibited.

4-H Beef Section

Any animal artificially, improperly or unfairly prepared, doctored or tampered with in any way before entering the show ring will be disqualified. The addition of hair or substitute, fleece or skin to any part of the animal's body is deemed unethical and cause for disqualification. Acceptable practices approved for fitting cattle for show include: paint, adhesive, clipping of hair, trimming of hooves, dehorning, removal of ancillary teats, and attachment of artificial switches.

Leased Animals:
No leased or partnership market animals are permitted. Any market animal registered for the show must be solely owned by the 4-H Exhibitor and proof of ownership may be required.

Calves Division

Please note there will be no Unit 2 confirmation class.

4-H Dogs Section

Members may enter more than one project providing space allows. In the event of limited space, entries over 1 dog per member will be taken on a first come – first serve basis. In showmanship classes only one entry per member will be permitted and this should be specified on the club entry form.

Members must clean up after their own dog in all areas of the PNE grounds. Dogs are not permitted on the Fairgrounds, outside of the livestock area. They are permitted only in the dog kenneling area and the exercise area. Dogs must be on leash at all times.

4-H Dog projects registered at the PNE may stay in the RV lot overnight. The following regulations apply; Members are asked to use their judgment regarding how their dog will behave in the RV lot, barking dogs will be asked to be removed; Members MUST clean up after their dogs and must respect the close quarters of the RV lot; Dog projects must be in the barns from 8am to 10pm and are not to be in the RV during that time for any circumstance. If there are concerns raised about dogs in the RV, this privilege will be removed in following years.

No dogs under the age of 6 months, at the time of entry, will be allowed in 4-H competition. Proof of age may be required. Only dogs registered in competition are permitted at the PNE. Dog clubs must submit, with the entry form proof of rabies shots for all dogs attending the PNE to the 4-H Committee Section Representative during check-in.

All 4-H members are required to appear in suitable dress when in the show ring. No shorts or open toed shoes are allowed.

Baiting is not permitted in the show ring. No Prong or Pinch collars allowed on the PNE grounds (including covered ones). Halti's, Gentle Leaders, head halters are permitted.

MOVE IN/OUT SCHEDULE:

All 4-H members are required to arrive by 10:00am, Friday, August 16th. 4-H members will depart as a club following the Closing Ceremony on Tuesday, August 20th. The PNE recognizes the unique nature of the 4-H dog projects and is therefore flexible to having members take their dog home at night. Members are asked to use their best judgment to determine if their project can remain on site (in the barns) overnight. No dogs will be permitted in the dorms. Dogs going home at night must be back to the kenneling area by 8:00am or earlier. Members are required to bring their own dog crates (kennels).

Agility Division

All dogs must enter the ring on a flat collar with a flat 6 foot leash. Dogs may wear a tab in the off leash, but with a one point deduction. Dogs must be over the age of 18 months. No food or toys allowed in the ring.

4-H Rabbits Section

In order to comply with 4-H BC Provincial Council restrictions, all rabbits attending our Fair must be vaccinated. Please provide proof of vaccination with your entry form.

1. One entry per class per member. Members are encouraged to enter their unit 1, 2 and 3 project animals.
2. All rabbits must be from the members' current year selected project and must be properly tattooed and recorded on the entry form.
3. No tattooing after the rabbits arrive. All tattoos should be properly dried and all excess ink should have disappeared.
4. Rabbits may only be shown in the class that corresponds to the unit they are registered in.
5. Breeds listed in each category are the preferred recommended section.
6. Any class changes should be submitted at check-in.
7. All feed and water containers must be supplied by the 4-H member.

Leaders please note that rabbit exhibitors must bring their own penning. See acceptable recommended sizes following. Please list number of feet of table space required for your club.

Pen and Size Description:

The proper pen designed for a rabbit should be made of an inedible material such as metal and have a double wire partition. The double wire partition prevents rabbits from biting and clawing one another. For this reason, poultry cages should not be used to house the rabbits because they have a single wire partition that offers little protection. There are three types of pens designed for different size animals according to weight. For animals that weigh a maximum of 2.72 kg (6 lbs), a small pen 38 com x 41 cm x 38 cm (15" x 16" x 15") is used. For animals of a medium weight between 2.72 kg and 5.44 kg (6 lbs – 12 lbs), a pen size of 53 cm x 58 cm (21" x 23") is recommended. For larger animals weighing over 5.44 kg (12 lbs), a pen of 76 cm x 69 cm (30" x 27") is required.

"The Journey of BC Food" Educational Display Program

A special sub section of the Educational Display competition, this program encourages members to create an educational display on "The Journey of BC Food". Members are encouraged to develop topics such as tracing a BC product from gate to plate, exploring why buying local is good for the community, highlighting a favourite BC food and how to prepare it, or profiling the important role of someone who works in the BC agrifoods industry. Members will have the opportunity to attend the PNE with their display board as part of a special program being offered by the BC Ministry of Agriculture, 4-H BC and the PNE.

Educational displays must be in place on the upper concourse of the Agrodome by Sunday, August 18th at 2:00pm. Members are required to attend the orientation on Sunday, August 18th at 2:00pm in the Agrodome seats directly in front of the displays and have a picture

taken with their display. As part of this special program, an educational seminar to increase 4-H members' knowledge on local foods will be offered on Monday, August 19th at 5:00pm in the Pacific Dining Lounge. This seminar is mandatory for all registered participants not otherwise competing with their projects.

Participants from outside of the Fraser Valley are eligible for BCYA travel assistance and will travel to the PNE on Sunday, August 18th and return home AFTER closing ceremonies on Tuesday (participants may need to consider making return travel arrangements for Wednesday morning).

4-H Special Projects Section

Special Projects Division

5114 Special Theme

Clubs will be awarded based on their decorations that are related to the following theme, **"BC Agriculture: We've Got Good Things Growing!"** Judging for our special theme will take place on Friday evening. "Top10" Rosettes- Courtesy: PNE.

5115 PNE 4-H Ambassadors

The purpose of the PNE 4-H Ambassador Program is to promote awareness about 4-H and to educate the urban audience about BC agriculture, focusing on livestock care. PNE Ambassadors will help organize and present special events during 4-H week at the PNE. The program will teach 4-H members skills about promotions and public relations. This program is funded by the BC Youth in Agriculture Foundation.

Application Requirements:

-Must be senior 4-H members and have passed junior proficiency exam
- Must complete PNE 4-H Ambassador Application
- Must prepare and present a Speak and Show at the PNE
- Must submit a copy of completed and signed PNE Parent Release and Medical Information form.
- Teams of two or three members from a provincial district may apply to this program.
- The number of out of town teams accepted will be dependent on the number of applicants and previous District representation.

All PNE Ambassadors will receive a PNE 4-H Ambassador Team shirt, meal tickets for days on duty, and instruction on promotion and public relations. PNE 4-H Ambassadors will have a variety of responsibilities at the PNE including managing the special fun events, leading special ceremonies, and assisting shows ringside. PNE Ambassador's duties can be a member's only activity at the Fair or duties could work around a member's show schedule. It will be a busy group with lots of fun and teamwork included! For outlying areas, the BC Youth in Agriculture Foundation Funding is available to assist with travel expenses.

Applications to participate in the PNE 4-H Ambassador program are completed and submitted to the Abbotsford Ministry of Agriculture Office by entry closing date. Selected PNE 4-H Ambassadors will be notified by July 31st, 2019.

PNE 4-H Judging Competition

Senior 4-H members age 13-21, as of January 1st, 2019 (with Junior Proficiency) are eligible to compete. Each participant must submit a copy of their PNE Parent Release and Medical Information form.

1. Participants from outside of the Fraser Valley will travel to the PNE on Monday August 19th and return home AFTER closing ceremonies on Tuesday August 20th (participants may need to consider making return travel arrangements for Wednesday morning). Fraser Valley participants may attend specifically for the judging competition times if they wish. Early departure exceptions due to travel will be permitted but must be arranged with the 4-H Entry Office before Fair.
2. All class entry requirements and deadlines, as stated elsewhere in this prize list, apply
3. Participants will organize their own transportation. Participants from outside of the Fraser Valley can apply for travel assistance through the BC Youth in Agriculture Foundation (see application form enclosed in entry package).
4. Participants are chosen based on District 4-H rally results, and are to be entered by their District. Registrations will not be accepted from individual members.
5. Districts will be required to send a chaperone with their participants. The Chaperone must check in (with their participants) at the 4-H Office once onsite to receive their information package.

Guidelines for Judging Competition:

Participants will judge a total of 6 classes:
One oral and one written class of their **own enrolled** project and;
Four classes with written reasons from the following group*:

Dairy	Poultry	Beef	Sheep
Dog	Rabbit	Llama	Goat
Swine	Non Livestock		

*Participants will be required to declare which classes they wish to judge on their entry form.

1. Fifteen minutes per class will be allowed for judging and writing reasons.
2. Participants will be registered by their enrolled project (members are restricted to enter in only one enrolled project) and will judge both a written and an oral class in that project.
3. All participants will be expected to attend the Official Judges Placing and Reason session

Prizes:

The top judge in each project will receive an outright prize, Courtesy: The PNE.
