Community Programs - Fair 2019/Questions

As a neighbour, you might have some questions or feedback during the Fair or even throughout the year. The PNE has a community engagement manager who can assist you.

Whitney Law can be reached at 604-251-7708 or via email at communityengagement@pne.ca.

Some of the ways that the PNE tries to alleviate impacts to the community during the PNE Fair include:

PNE Bike Patrol – To keep our area safe, PNE security staff rove throughout the neighbourhood on bikes to ensure safety in the community.

PNE Cleanup Crew – Out in the immediate neighbourhood to help keep the community clean.

Temporary Resident Parking Only Signage – Each year, the PNE works with the City Of Vancouver to put up temporary signage in the neighbourhood to make sure neighbours can park in front of their homes during the Fair. If a sign is missing or if you have any questions on backyard parking regulations or bylaw infractions, please contact the City of Vancouver at 3-1-1.

Backyard Parking – The City of Vancouver allows neighbours to sell parking spaces in their backyard. More information can be found on their website: <https://vancouver.ca/streets-transportation/parking-near-hastings-park.aspx>

Help your neighbours stay safe. Kindly remind them that the City of Vancouver does not allow patrons to: block traffic; put signs on property; call out to drivers while on the street or sidewalk; and wave signs on the street, sidewalk, or on property.

If selling parking spots, consider staying off the streets and selling your spots on [Craigslist](#) or [Kijiji](#), and parking apps such as [JustPark](#) or [Rover Parking](#).
