Vancouver, B.C. – The Pacific National Exhibition is thrilled to announce that for the first time the PNE Prize Home will be located in Langley!

“We are very excited to bring the iconic PNE Prize Home to beautiful Langley,” says PNE spokesperson Laura Ballance. *“Over the course of the 88 years of the PNE Prize Home program the Home has gone to communities throughout the province – from Vancouver and across the Lower Mainland to the Sunshine Coast and the BC Interior, but this is the first time it has been located in Langley. For the second year in a row the Home is prebuilt, so it will be available for tours at its Langley location starting this summer, rather than on site at the Fair. And also new this year, the Home will feature a one bedroom, one bath legal basement suite, which we’ve heard from Fair guests over the years is a highly desirable feature.”*

2022 PNE Prize Home a Stunning Masterpiece

Another PNE Prize Home first, the home features a one bedroom, one bathroom legal basement suite. The climate-friendly features include an EV charger, 12 solar panels measuring 4.08kW, triple pane windows and an all-electric heat pump system to heat and cool the home. **The total value of the PNE Grand Prize Package is \$2.4 million.**
