**Vancouver, B.C.** – For two decades, **Fright Nights** at Playland has delighted and terrified, and this autumn, Western Canada’s most highly anticipated Halloween event returns! On select nights from October 6<sup>th</sup> to October 31<sup>st</sup>, Playland once again will transform into a terrifying Halloween-themed experience with eight haunted houses, 15+ hair-raising rides, creepy décor, roaming monsters and gripping live performances.

### Fright Nights 2023 Features Eight Terrifying Haunted Houses

NEW! Don’t miss the chance to experience one of the scariest haunted houses in Fright Nights history, **The Void**, where monstrous beasts stalk thick forests of the Pacific Northwest. Within the lush and beautiful forest are the Howling Caves. It’s coincidence, many will say, how frequently people go missing along the trails and near the caves....

Another highly anticipated haunted house is **Carn-Evil**. If you hate clowns, beware of this house because the clowns of Fright Nights are evil. In this haunted house the clowns are humanoid creatures who live right under our feet in the sewers below where they multiply & grow when they encounter radioactive toxic waste.

#### 2023 Fright Nights Haunted Houses:
